Dear Colleagues,

Yesterday the government announced that as of March 8 some zone designations in parts of Quebec will change. The Eastern Townships are now in the Orange zone.

If any of our churches in the Eastern Townships wants to re-open with an increased capacity of no more than 100 people, or 50% of the capacity of the worship space while following distancing guidelines of separation between households, whichever is fewer, please be in touch with [Archdeacon Robert Camara](#).

Meanwhile, in red zones, should parishes want to consider planning Eucharist centered worship services in the church with groups of no more than 10 (including clergy etc) to be streamed on-line, for Holy Week and Easter Week, an exception may be made to accommodate these holy days in the church's calendar. Anyone interested in pursuing this option should also be in touch with Archdeacon Camara.

Grace and peace to you all,

+Mary
