

The Anglican Diocese of Montreal acknowledges with respect that we live, work, and worship on the traditional, unceded territory of the Haudenosaunee, "People of the Longhouse"; the Anishinaabe, "People from Whence Lowered"; and the Wôbanakiak, "People of the Dawn." Tiohtià:ke (Montreal) is historically known as a gathering place for many Nations.

We acknowledge the colonial violence done by the Church and seek to build a spirit of genuine relationship and reconciliation with the First Nations, and all peoples within the Montreal community.

*May God our Creator guide us in wisdom, justice, and peace.*
